

**MICHEL DEOM**

**MELODIE, OP. II**

**SUR UN POEME DE TH. LEGER**

**VOIX ET ENSEMBLE INSTRUMENTAL**

INSTRUMENTATION :

2 flûtes ( 1ère aussi piccolo )

2 clarinettes si b ( aussi clarinettes basses en si b )

Vibraphone (4 octaves), glockenspiel, xylophone : 1 exécutant.

Harpe

Violon, alto et violoncelle

N.B. : Si l'on ne dispose pas d'un xylophone, on peut se servir du vibraphone avec baguettes dures.

Les harmoniques de harpe ont été notés à l'octave inférieure des sons réels.

Le glockenspiel est écrit deux octaves sous le son réel.

EXPLICATION DES SIGNES EMPLOYES :

↗ Voix blanche, quasi parlando ( respecter l'intonation )

↓ La note la plus basse possible, sans forcer la voix

~~~~ Continuer la même formule, sans accélérer

↘ Baisser la note de 3/4 de ton

M.B. : La partie de chant a été écrite d'une manière instrumentale ; les phrasés indiqués correspondent aux phrasés purement musicaux, et non aux liaisons par syllabes.

Une consonne soulignée doit être très fortement prononcée. ( comme si elle était double et liée au mot précédent )

Ample demeure des morts. La sourde. L'endormie.

J'entends se déchirer la caresse des branches  
contre sa pierre énorme  
j'entends la violente larme des torrents.

Je rôde sur une rive de fumée.  
J'éveille une barque l'eau neutre les roseaux.  
Je trouble à peine leur silence.  
Je passe et ne laisse aucune ombre.

Chemin perdu j'appelle. A peine un écho me répond  
un vent d'hiver.  
Où sont les anciens voyageurs ? Où sont mes camarades mes  
frères ? Où sont-ils ?  
Soupir innombrable des pins contre une pente obscure.
